INTRODUCING SELF-PAY

Here's an option that only AIA offers. You can opt to bear the initial hospitalisation expenses (Rs. 50,000 per year) and receive discounts (up to 42%) on your 'Global Hospitalisation Care' cover premium.

NO CLAIM PRIVILEGES

AIA Health Protector rewards you for staying healthy, with a No Claim Privilege that increases your protection by 10% each year that you don't make a claim. You can get your 'Global Hospitalisation Care' cover doubled in 10 years with the No Claim Privilege.

A large Health Fund at maturity so you can continue to afford quality healthcare even after 70!

Your Premiums are carefully managed by professional fund managers who help ensure that your Health Fund grows each year. Furthermore, we reward you for your loyalty with a significant loyalty reward which ranges from 200% to 3,650% of your Total Annual Premium. This leaves you with a larger Health Fund, so you can continue to take care of yourself even after 70.

For example, if you are 35 years old in 2018 and you plan to be protected till age 70 (Policy Term of 35 years) with a Total Annual Premium of Rs. 257,452 paid annually, your illustrated Health Fund value at maturity would be as follows:

	Assumed Dividend Rates (Values in Rs)		
	4 % p.a.	8% p.a.	12% p.a.
Health Fund at maturity with Loyalty Reward	4,938,122	12,366,010	33,248,010

The Loyalty Reward applicable for this illustrated example is 1,150% of Total Annual Premium or Rs 2,960,698.

Projected values in the above tables are calculated by using assumed dividend rates of 4%, 8% and 12% and applying the relevant charges and assuming all premiums are paid on the respective due dates. The illustrated values above will change based on the premium payment mode selected (i.e. half yearly or quarterly). These assumed dividend rates are not guaranteed and are not the upper or lower limits of what you might get.
