A GLANCE AT SOME UNIQUE FEATURES

Loyalty Reward- 350% of Annual Basic Premium for the Annual modes.
Choice of Monthly Pension - You can choose to get monthly pensions up to the age of 100 years.
Discounts For Additional Benefits - When you pay annual mode premiums.
Premium Protection Benefit - Continues the policy premiums, in your absence or Total Permanent Disability.

Knowing the following will help you understand your benefits better!

1. You have the option of choosing the Pension Fund as a monthly income or as a one-time lump sum. If you choose to take the Pension Fund as a one-time lump sum, then the policy will cease after that payment and you will not get any monthly income.
2. The assumed dividend rates mentioned above are only for illustration of three different scenarios and do not represent the upper and lower limits of what you might receive. They are neither guaranteed nor based on past performance. These assumed rates are gross of fund management charges. Total fund values shown above are after deducting fund management and all other relevant charges. The actual dividend payable may be higher or lower than these scenarios. The actual dividend rate would depend upon the investment return of the life fund and will not be less than the declared minimum guaranteed dividend rate for the respective year

The minimum guaranteed dividend rate and the actual dividend rate for similar products since the year 2013 is as follows

Year	2013	2014	2015	2016	2017	2018
Min guaranteed dividend rate	8%	8%	8%	8%	8%	8%
Actual declared dividend rate	9.62%	9.88%	9.55%	9.46%	9.63%	

The future minimum guaranteed dividend rates may be different from the previous years.

Additional Notes applicable to this Quotation and Illustration:

1. This Sales Illustration is customized for you, as per your needs. Please review and confirm that this plan and the premium payable are suitable for you.
2. This is a long-term product and its benefits are best realized when you continue the policy for full policy term. Terminating this policy before the policy term may result in significant financial loss.
3. Within the first 3 Policy Years, non-payment of the premiums within 30 days of the due date results in the policy being lapsed and no benefits will be paid out.
4. You should satisfy yourself that this plan will best serve your needs and that the Premium payable under the Policy is an amount you can afford. Please take note that the above proposed plan and benefits and the fund illustrations will be subject to underwriting review and approval. Based on the underwriting decisions, your total premiums payable and the maturity value may be different than the ones illustrated. e.g. if there are applicable extra charges due to medical, occupational, etc reasons. As such, this Sales Illustration is not a promise that the policy will be issued to you with the same benefits and values, as illustrated here. Hence, this Sales Illustration may not be consistent with the policy that is actually issued. At the time of policy issuance, an Illustration that is consistent with actual policy issued will be provided.
5. There are charges related to the Basic Premium paid by you, which are as follows :
 - a. Allocation charges: 1st Policy Year: 60%; 2nd Policy Year: 25%; 3rd Policy Year onwards:0%
 - b. Allocation charge on Top-Up: 4%
 - c. Mortality charge: This is the charge for providing life insurance under Basic Sum Assured
 - d. Fund Management charge: 0.75% per annum of the investment account
 - e. Policy Administration charge: LKR 600 for the year 2018, increasing at the rate of 15% p.a. each subsequent year from 1st January
6. For the first 3 policy years: The Basic Premium (after any Allocation Charges), is credited to the Investment Account and the policy administration and mortality charges are deducted from the Investment Account. The Investment Account value illustrated above are net of all such charges.
7. After 3rd policy year: Along with the Basic Premium (after any Allocation Charges), all other premiums are also credited to the Investment Account and all charges for the in-built benefits and the additional benefits are deducted from the Investment Account. The Investment Account value illustrated above are net of all such charges.
8. The Loyalty Reward is credited at the end of the Policy Term only if each due premium is paid within a period of 180 days from the respective due date.
9. The Surrender Values are payable in case you would like to terminate the policy before the completion of Policy Term. The Surrender Values are arrived after applying surrender charges on the balance of the Investment Account, at the time of surrender. The surrender charge is 100% in the first 3 Policy Years, after which it will be linearly decreasing to 0% up to year 5. The surrender charge percentage at the end of years 4 and 5 are 50% and 0% respectively. After year 5, surrender charge is 0%. Surrender Values shown above are not guaranteed but would depend upon the balance of the Investment Account at the time of surrender. The Surrender Values shown above are net of all charges. The actual amount payable at the time of surrender may not be the same as the fund value shown.
10. You will not be able to change the main benefits for Life Assured during the Policy Term.
11. You have the right to cancel your policy within 21 days of receipt of policy and where upon the company will refund the premium paid less any medical charges or other charges incurred in underwriting your policy.
12. This document is for illustration/reference purposes only and does not form a part of the policy contract. The contents of the Sales Illustration may vary from the terms of cover eventually issued and are subject to the terms of the insurance contract. For the full terms and conditions of this policy, you may please refer to the policy document.
13. This Sales Illustration is valid for 30 days from the date hereof or next birthday whichever occurs earlier and is valid only within the geographical limits of Sri Lanka. This Sales Illustration will become invalid if any alteration is made.
